CALL FOR SUPPORT & DONATIONS

Dear Partner,

The Gezani community is working tirelessly to uplift its youth and elderly through targeted welfare and educational programs. We invite you to join hands with us.

"One Child to University" Program

Our flagship sponsorship program ensures that talented learners (scoring 13 units and below at Grade 7) receive the financial support they need to pursue higher education.

Your Contribution Matters

Whether it's funding for textbooks, school uniforms, or university tuition, every dollar goes directly into the hands of a deserving Gezani student.

To donate, please contact our financial outreach team directly via info@gezaniinitiatives.co.zw.
