MALIPATI COMMUNITY DEVELOPMENT TRUST (MCDT)

The MCDT is the central governance body responsible for coordinating large-scale development projects within Ward 13.

Governance Structure

The trust is led by a coalition of traditional leaders, elected community representatives, and technical advisors. This ensures that all development aligns with the cultural values of the Xangani people.

Current Portfolio

- Oversight of resource extraction agreements.
- Management of the community welfare fund.
- Coordination of the annual Gezani Day festival.
